

### **REMARKS**

Applicants gratefully acknowledge Examiner Do and WQAS Gail for taking time on January 30, 2008, to call Applicants' representative to discuss issues related to statutory subject matter for claims 15, 18, and 19. WQAS Gail required Applicants to provide a written statement that these claims were not addressed to carrier waves.

Claims 1, 4-6, 10, 13, 14, and 26-28 are all of the claims presently pending. Claims 2, 3, 7-9, 11, 12, and 15-25 are canceled, thereby permitting all remaining claims to pass immediately to allowance.

It is noted that Applicants specifically state that no amendment to any claim herein, if any, should be construed as a disclaimer of any interest in or right to an equivalent of any element or feature of the amended claims or of the claims canceled for purpose of expediting prosecution of these claims indicated as being allowable.

Claims 15, 18, and 19 stand rejected under 35 U.S.C. § 101 as allegedly directed to non-statutory subject matter. Cancellation of these claims renders this rejection moot.

Although Applicants respectfully disagree with WQAS Gail's position, Applicants have decided to cancel these claims to expedite prosecution on the remaining claims. Applicants reserve the right to file a continuation on any and all canceled claims.

In view of the foregoing, Applicants submit that all remaining claims are in condition for immediate allowance.

### **FORMAL MATTERS AND CONCLUSION**

In view of the foregoing, Applicants submit that claims 1, 4-6, 10, 13, 14, and 26-28, all the claims presently pending in the application, are patentably distinct over the prior art of record and are in condition for allowance. The Examiner is respectfully requested to pass the above application to issue at the earliest possible time.

Should the Examiner find the application to be other than in condition for allowance, the Examiner is requested to contact the undersigned at the local telephone number listed below to discuss any other changes deemed necessary in a telephonic or personal interview, using Applicants' representative's direct number (703) 761-2377 or the general number listed below.
